ORDINANCE NO. 7334

**AN ORDINANCE OF THE CITY OF PASADENA AMENDING VARIOUS SECTIONS OF AND ADDING A NEW CHAPTER 12.10 TO TITLE 12 OF THE PASADENA MUNICIPAL CODE RELATED TO REGULATION OF SIDEWALK VENDORS**

**WHEREAS**, in September of 2017, Senate Bill 946 added Chapter 6.2 (Sidewalk Vendors, commencing with Section 51036) to Title 5 of the California Government Code, which prohibits a local authority from regulating sidewalk vendors, except in accordance with the provisions of state law, and applies to charter cities such as Pasadena; and

**WHEREAS**, Pasadena regulates sidewalk vendors through various provisions in its Municipal Code, including but not limited to Title 8 (Health and Safety) and Title 12 (Streets and Sidewalks); and

**WHEREAS**, SB 946 provides that a local authority that elects to adopt a sidewalk vending program cannot require, among other things, a sidewalk vendor to operate within specific parts of the public right-of-way, except when that restriction is directly related to objective health, safety, or welfare concerns, and cannot restrict sidewalk vendors to operate only in a designated neighborhood or area, except as specified in state law; and

**WHEREAS**, the City Council of the City of Pasadena finds that restricting sidewalk vendors in a manner consistent with SB 946 is necessary to protect the health,

safety and welfare of the sidewalk vendors themselves, as well as the general public, and therefore enacts the restrictions on vending in the public right-of-way as set forth herein; and

**WHEREAS**, specifically with regard to large events held in the Central Arroyo and the Rose Parade, particularized public safety concerns arise due to the size of the crowds and the concentrated traffic patterns associated with such events which justify not only a ban on sidewalk vending around such events, but also the immediate seizure of carts and goods when vendors violate laws, including said ban, within specified areas; and

**WHEREAS**, SB 946 authorizes a local authority to adopt additional requirements regulating the time, place, and manner of sidewalk vending, as specified in state law, if the requirements are directly related to objective health, safety, or welfare concerns; and

**WHEREAS**, the City Council of the City of Pasadena finds that the requirements regulating the time, place, and manner of sidewalk vending as set forth herein are directly related and necessary to objective health, safety, or welfare concerns, of the sidewalk vendors themselves as well as the general public; and

**WHEREAS**, SB 946 also authorizes a local authority to prohibit sidewalk vendors in areas located within the immediate vicinity of a permitted certified farmers' market and a permitted swap meet, as specified, and to restrict or prohibit sidewalk vendors

within the immediate vicinity of an area designated for a temporary special permit issued by the local authority, as specified in state law; and

**WHEREAS**, pursuant to SB 946, any violation of a local ordinance could now be punishable only by an administrative fine pursuant to an ability-to-pay determination, and proceeds would be deposited in the treasury of the local authority; and

**WHEREAS**, Pasadena's current sidewalk vendor regulations are being amended to be consistent with the new requirements of and restrictions in SB 946.

**NOW THEREFORE**, the People of the City of Pasadena ordain as follows:

**SECTION 1.** This ordinance, due to its length and corresponding cost of publication, will be published by title and summary as permitted in Section 508 of the Pasadena City Charter. The approved summary of this ordinance is as follows:

TO: CITY COUNCIL DATE: DECEMBER 10, 2018  
FROM: CITY ATTORNEY  
SUBJECT: AMENDMENTS TO THE PASADENA MUNICIPAL CODE  
RELATING TO SIDEWALK VENDORS

## **TITLE OF PROPOSED ORDINANCE:**

AN ORDINANCE OF THE CITY OF PASADENA AMENDING VARIOUS SECTIONS OF AND ADDING A NEW CHAPTER 12.10 TO TITLE 12 OF THE PASADENA MUNICIPAL CODE RELATED TO REGULATION OF SIDEWALK VENDORS

## **PURPOSES OF THE ORDINANCE:**

The purpose of this ordinance is to revise the Pasadena Municipal Code to align with Senate Bill 946 relating to sidewalk vendors before January 1, 2019.

## **REASONS WHY LEGISLATION IS NEEDED:**

Existing law authorizes a local authority, by ordinance or resolution, to adopt requirements for public safety regulating any type of vending and the time, place, and manner of vending upon a street. In September 2018, Senate Bill 946 was signed into law by Governor Brown, creating new regulations supporting the sale of food items and other merchandise by sidewalk vendors. This new law prohibits local jurisdictions from imposing limitations on hours of operation any more restrictive than other businesses in the area and prohibits criminal penalties and criminal prosecution for violations. Beginning January 1, 2019, the bill would prohibit a local authority from regulating sidewalk vendors, except in accordance with the provisions of the bill. It provides that local jurisdictions may only impose additional restrictions and regulations when they are "directly related to objective health, safety, or welfare concerns."

12/17/2018

MEETING OF ~~12/10/2018~~

AGENDA ITEM NO. ~~15~~ 21

Staff will be bringing forward additional proposed revisions to the Pasadena Municipal Code to address additional issues for City Council consideration including, but not limited to: adopting additional requirements regulating the time, place, and manner of sidewalk vending if the requirements are directly related to objective health, safety, or welfare concerns; additional permitting and enforcement procedures.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT:**

On December 3, 2018, the City Council found that the Ordinance, as proposed, is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines, Section 15061(b)(3) (general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment).

**PROGRAMS, DEPARTMENTS OR GROUPS AFFECTED:**

City staff and the general public, including patrons, visitors, and business owners will be impacted by this Ordinance.

**FISCAL IMPACT:**

The new law allows for permit and/or licensure programs. The City's existing health permit and business license fees will apply to sidewalk vendors. It is anticipated that business license revenues and public sidewalk vendor permitting revenues will increase. The volume of increase is not able to be determined at this time. Additional costs may be incurred by City Departments related to enforcement of licensed and unlicensed vendors in new areas of the City.

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE OF THE CITY OF PASADENA AMENDING VARIOUS SECTIONS OF AND ADDING A NEW CHAPTER 12.10 TO TITLE 12 OF THE PASADENA MUNICIPAL CODE RELATED TO REGULATION OF SIDEWALK VENDORS**

**WHEREAS**, in September of 2017, Senate Bill 946 added Chapter 6.2 (Sidewalk Vendors, commencing with Section 51036) to Title 5 of the California Government Code, which prohibits a local authority from regulating sidewalk vendors, except in accordance with the provisions of state law, and applies to charter cities such as Pasadena; and

**WHEREAS**, Pasadena regulates sidewalk vendors through various provisions in its Municipal Code, including but not limited to Title 8 (Health and Safety) and Title 12 (Streets and Sidewalks); and

**WHEREAS**, SB 946 provides that a local authority that elects to adopt a sidewalk vending program cannot require, among other things, a sidewalk vendor to operate within specific parts of the public right-of-way, except when that restriction is directly related to objective health, safety, or welfare concerns, and cannot restrict sidewalk vendors to operate only in a designated neighborhood or area, except as specified in state law; and

**WHEREAS**, the City Council of the City of Pasadena finds that restricting sidewalk vendors in a manner consistent with SB 946 is necessary to protect the health,

safety and welfare of the sidewalk vendors themselves, as well as the general public, and therefore enacts the restrictions on vending in the public right-of-way as set forth herein; and

**WHEREAS**, specifically with regard to large events held in the Central Arroyo and the Rose Parade, particularized public safety concerns arise due to the size of the crowds and the concentrated traffic patterns associated with such events which justify not only a ban on sidewalk vending around such events, but also the immediate seizure of carts and goods when vendors violate laws, including said ban, within specified areas; and

**WHEREAS**, SB 946 authorizes a local authority to adopt additional requirements regulating the time, place, and manner of sidewalk vending, as specified in state law, if the requirements are directly related to objective health, safety, or welfare concerns; and

**WHEREAS**, the City Council of the City of Pasadena finds that the requirements regulating the time, place, and manner of sidewalk vending as set forth herein are directly related and necessary to objective health, safety, or welfare concerns, of the sidewalk vendors themselves as well as the general public; and

**WHEREAS**, SB 946 also authorizes a local authority to prohibit sidewalk vendors in areas located within the immediate vicinity of a permitted certified farmers' market and a permitted swap meet, as specified, and to restrict or prohibit sidewalk vendors

within the immediate vicinity of an area designated for a temporary special permit issued by the local authority, as specified in state law; and

**WHEREAS**, pursuant to SB 946, any violation of a local ordinance could now be punishable only by an administrative fine pursuant to an ability-to-pay determination, and proceeds would be deposited in the treasury of the local authority; and

**WHEREAS**, Pasadena's current sidewalk vendor regulations are being amended to be consistent with the new requirements of and restrictions in SB 946.

**NOW THEREFORE**, the People of the City of Pasadena ordain as follows:

**SECTION 1.** This ordinance, due to its length and corresponding cost of publication, will be published by title and summary as permitted in Section 508 of the Pasadena City Charter. The approved summary of this ordinance is as follows:

Dear Mayor and City Council,

As a resident of Pasadena for the past 18 years, I am very concerned about the impact of the new state regulations supporting the sale of food items and other merchandise by sidewalk vendors. There will be a severely negative impact on our residents' quality of life when a higher concentration of vendors are filling our parks as well.

I believe the proposed ordinance in support of this new state law will negatively impact neighborhood character, safety, health, and overall quality of life for Pasadena residents unless the following revisions are made under section 12.10.040:

- Vendors should only be permitted on sidewalks with a minimum width of 8 ft to ensure safe pedestrian zones and to meet the desired level of service in areas with higher pedestrian volumes (such as Old Pasadena);
- Vendors must not be stationary within 100 ft of an intersection, school, or other vendor;
- Vendors should not be allowed to set up within 25 ft of any driveway, building entrance, or bike rack;
- Bulky items such as tables or large carts must be prohibited in the public right of way to prevent hazards for pedestrians and disabled people;
- If operating in a park, vendors should not be allowed to actively sell, solicit, pitch, or otherwise approach people to sell their goods;
- A limit of one vendor per acre is necessary to prevent an undue concentration of commercial activity that unreasonably interferes with the scenic and natural character of the park;
- Parks smaller than one acre should be exempt from vendors in order to ensure the public's use and enjoyment of natural resources and recreational opportunities; and
- Taxes and fees for permits must be charged in relation to covering costs incurred by city departments to enforce the licensing and monitoring of vendors throughout our city.

I am very concerned that if these additional revisions are not included in the ordinance we will have an overconcentration of vendors throughout our city causing safety concerns for pedestrians and limiting the enjoyment of our natural resources and recreational opportunities. Overall, if these revisions are not adopted, monitored, and enforced, we will essentially be commercializing all sidewalks, parks, and neighborhoods, at the cost of our city's character.

Thank you for taking your time to consider these concerns,

Dear Mayor and City Council,

As a resident of Pasadena for the 57 years, and I am very concerned about the abundant amount of changes happening to our city to make it look and feel like a major city. I am especially concerned about the impact of the new state regulations supporting the sale of food items and other merchandise by sidewalk vendors. I believe adopting this plan in Pasadena will negatively impact the quality of life in our beautiful city. A higher concentration of vendors filling our parks doesn't make sense to me.

I strongly believe the following revisions should be made under section 12.10.040:

- Vendors should only be permitted on sidewalks with a minimum width of 8 ft to ensure safe pedestrian zones and to meet the desired level of service in areas with higher pedestrian volumes (such as Old Pasadena);
- Vendors must not be stationary within 100 ft of an intersection, school, or other vendor;
- Vendors should not be allowed to set up within 25 ft of any driveway, building entrance, or bike rack;
- Bulky items such as tables or large carts must be prohibited in the public right of way to prevent hazards for pedestrians and disabled people;
- If operating in a park, vendors should not be allowed to actively sell, solicit, pitch, or otherwise approach people to sell their goods;
- A limit of one vendor per acre is necessary to prevent an undue concentration of commercial activity that unreasonably interferes with the scenic and natural character of the park;
- Parks smaller than one acre should be exempt from vendors in order to ensure the public's use and enjoyment of natural resources and recreational opportunities;. and
- Taxes and fees for permits must be charged in relation to covering costs incurred by city departments to enforce the licensing and monitoring of vendors throughout our city.

I am very concerned about an overconcentration of vendors throughout our city causing unsightly trash, in addition to safety concerns for pedestrians and limiting the enjoyment of our natural resources and recreational opportunities. If these revisions are not adopted, monitored, and enforced, we will essentially be commercializing all sidewalks, parks, and neighborhoods, at the cost of our city's character.

Thank you for taking your time to consider these concerns,

Best wishes,

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE OF THE CITY OF PASADENA AMENDING VARIOUS SECTIONS OF AND ADDING A NEW CHAPTER 12.10 TO TITLE 12 OF THE PASADENA MUNICIPAL CODE RELATED TO REGULATION OF SIDEWALK VENDORS**

**WHEREAS**, in September of 2017, Senate Bill 946 added Chapter 6.2 (Sidewalk Vendors, commencing with Section 51036) to Title 5 of the California Government Code, which prohibits a local authority from regulating sidewalk vendors, except in accordance with the provisions of state law, and applies to charter cities such as Pasadena; and

**WHEREAS**, Pasadena regulates sidewalk vendors through various provisions in its Municipal Code, including but not limited to Title 8 (Health and Safety) and Title 12 (Streets and Sidewalks); and

**WHEREAS**, SB 946 provides that a local authority that elects to adopt a sidewalk vending program cannot require, among other things, a sidewalk vendor to operate within specific parts of the public right-of-way, except when that restriction is directly related to objective health, safety, or welfare concerns, and cannot restrict sidewalk vendors to operate only in a designated neighborhood or area, except as specified in state law; and

**WHEREAS**, the City Council of the City of Pasadena finds that restricting sidewalk vendors in a manner consistent with SB 946 is necessary to protect the health,

safety and welfare of the sidewalk vendors themselves, as well as the general public, and therefore enacts the restrictions on vending in the public right-of-way as set forth herein; and

**WHEREAS**, specifically with regard to large events held in the Central Arroyo and the Rose Parade, particularized public safety concerns arise due to the size of the crowds and the concentrated traffic patterns associated with such events which justify not only a ban on sidewalk vending around such events, but also the immediate seizure of carts and goods when vendors violate laws, including said ban, within specified areas; and

**WHEREAS**, SB 946 authorizes a local authority to adopt additional requirements regulating the time, place, and manner of sidewalk vending, as specified in state law, if the requirements are directly related to objective health, safety, or welfare concerns; and

**WHEREAS**, the City Council of the City of Pasadena finds that the requirements regulating the time, place, and manner of sidewalk vending as set forth herein are directly related and necessary to objective health, safety, or welfare concerns, of the sidewalk vendors themselves as well as the general public; and

**WHEREAS**, SB 946 also authorizes a local authority to prohibit sidewalk vendors in areas located within the immediate vicinity of a permitted certified farmers' market

and a permitted swap meet, as specified, and to restrict or prohibit sidewalk vendors within the immediate vicinity of an area designated for a temporary special permit issued by the local authority, as specified in state law; and

**WHEREAS**, pursuant to SB 946, any violation of a local ordinance could now be punishable only by an administrative fine pursuant to an ability-to-pay determination, and proceeds would be deposited in the treasury of the local authority; and

**WHEREAS**, Pasadena's current sidewalk vendor regulations are being amended to be consistent with the new requirements of and restrictions in SB 946.

**NOW THEREFORE**, the People of the City of Pasadena ordain as follows:

**SECTION 1.** This ordinance, due to its length and corresponding cost of publication, will be published by title and summary as permitted in Section 508 of the Pasadena City Charter. The approved summary of this ordinance is as follows:

**"Summary**

The proposed ordinance amends various sections of the Pasadena Municipal Code, and adds Chapter 12.10 (Sidewalk Vendors) to the Pasadena Municipal Code to regulate sidewalk vendors in compliance with Senate Bill 946. The proposed ordinance bans vendors within certain parks, near farmers' markets and swap meets, and near temporary special events. The ordinance also bans stationary vendors in residential areas. The ordinance also makes changes to Title 8 (Health and Safety) related to food vending.

Ordinance No. \_\_\_\_\_ shall take effect upon publication."

**SECTION 2.** Pasadena Municipal Code, Title 3, Chapter 3.32, Section 3.32.250 (Rose Bowl area established), is amended as follows:

This area consists of the Rose Bowl and adjoining parking areas B, D, F, G, I, J, and K, and M."
