While riding in or driving a vehicle or boat.⁹

On federal lands, such as national parks.⁸

On federal lands, such as national parks.⁸

LANDLORD AND EMPLOYER RIGHTS

Property owners may ban the use and possession of cannabis on their privately owned properties.¹⁰

Property owners may ban the use and possession of cannabis on their privately owned properties.¹⁰

Employers have the right to prohibit the use of cannabis by their employees.¹⁰

Employers have the right to prohibit the use of cannabis by their employees.¹¹

NOTES

A Individuals of any age may legally possess and use medicinal cannabis with a valid physician's recommendation. However, only adults ages 18 and older can legally purchase medicinal cannabis.

B If a qualified patient or primary caregiver has a physician's recommendation that this quantity does not meet the qualified patient's medical needs, the qualified patient or primary caregiver may possess an amount of cannabis consistent with the patient's needs.

C Cultivation area must be locked and not visible from any public place. Cities and counties may limit or prohibit outdoor cannabis cultivation and may impose other "reasonable regulations." Note that it is illegal to sell any amount of cannabis without a license.
