"To Enrich Lives Through Effective and Caring Service"

2020 Commission Goals

The Consumer Affairs Advisory Commission has put forth the following 3 goals for 2020:

1. Conduct meetings in no fewer than two different districts per year that align with DCBA events and each Commissioner is encouraged to attend at least 1 of DCBA's hosted events, preferably an event held in their Supervisorial District, subject to current COVID-19 constraints.
2. Weigh in on legislative matters that align with DCBA's codes and standards.
3. Having a representative from each Supervisorial District on all subcommittees.
