2021 Commission Goals

The Consumer Affairs Advisory Commission has put forth the following 5 goals for 2021:

1. Conduct meetings, either in-person or virtually (if available), that align with the Department of Consumer and Business Affairs (DCBA) hosted events, in no fewer than two different districts per year and each Commissioner is encouraged to attend at least 1 of DCBA's hosted events (preferably an event held in their Supervisorial District).
2. Weigh-in on legislative matters that align with DCBA's codes, standards, and goals.
3. Each Commissioner is encouraged to calendar the annual schedule of full commission meeting dates and make it a priority to attend, either in-person or virtually (if available), and actively participate in subcommittee business, having a representative from each district on all sub-committees.
4. To be inclusive by inviting diverse community members to attend Commission meetings.
5. Each Commissioner is encouraged to provide a summary of the needs of their respective districts and describe how the County of Los Angeles is meeting those needs or how those needs should be met.
