Los Angeles County Commission Services Division Sunset Review Evaluation Questionnaire - Commissioner

Every four years, Commissions must complete a Sunset Review Evaluation Questionnaire that provides an opportunity for Commissions to evaluate their purpose, work and accomplishments. By completing the attached questionnaire, this process also allows commissioners the opportunity to provide individual input regarding the Commissions' accomplishments. The Questionnaire will be used internally to assist with the assessment and recommendations to the Board to consider the extension of your Commission.

County Boards, Commissions, Committees, Oversight Boards, Task Forces, Working Groups and Special District Agency Boards are collectively referred to as Commissions in this document. You may also answer the questions on the questionnaire or attach additional sheets. For questions not applicable please indicate "N/A".

The completed Questionnaire can be sent to Commission Services Division by **February 25, 2022**. The documents can be mailed, emailed, or faxed to:
