As a response to the COVID-19 pandemic, CAAC held all meetings through teleconference as allowed under Assembly Bill 361. The above image represents the look and format of a typical Commission meeting.

The Consumer Affairs Advisory Commission is proud to continue their partnership with the Department of Consumer and Business Affairs. The Commission will continue to serve and represent the residents of each Supervisorial District throughout Los Angeles County by highlighting the importance of consumer education, consumer outreach, equity, inclusivity and measures to enhance consumer protection for all.
